SVQ Social Services
(Children & Young People) at
SCQF Level 7

About Us

- Established in 1997, Carousel Training Centre specialises in delivering the Scottish Social Services Council (SSSC) recognised SVQ in Social Services (Children and Young People) at SCQF Level 7
- SQA Accredited, the SVQ is a benchmark qualification for those working as practitioners in the Early Learning and Childcare (ELC) sector
- An approved training provider, our Modern Apprenticeships are funded entirely by Skills Development Scotland

Why a Modern Apprenticeship?

Develop skills relevant to you

Meet the current and future needs of your business

Promote equality, diversity and inclusion

Create a learning culture

Invest in the future of your workforce

Method of Delivery

- a detailed induction
- the selection of optional units agreed with the apprentice and the employer - taking into account the setting, the job role and any progression pathways
- allocation of a designated assessor who will be the central point of contact for both the apprentice and the employer
- one to one contact every 2 to 4 weeks with the designated assessor, who will observe and assess the practical competence of the apprentice
- monthly training sessions for theory and underpinning knowledge
- access to online learning platforms and comprehensive, detailed support materials

Apprentice Recruitment Service

Attracting and hiring the best talent can be difficult and time-consuming.

We have an experienced marketing and admissions team who specialise in securing the best apprentice for your business.

If you want to make use of this complementary service, we will:

- note full details of your vacancy specification and job description
- advertise your vacancy
- attract, match and shortlist potential apprentices
- introduce shortlisted candidates to you

Training Sessions

Training sessions focus on:

- Laws, Legislation, Guidelines and Standards
- Planning, Implementing and Evaluating Curriculum Frameworks
- Child Development
- Safeguarding
- Behaviour, Observation and Communication
- Planning and Organising Environments
- Promoting Care, Health and Physical Development
- Reflecting on and Developing Practice
- Core Skills and Meta-Skills
