Dear Parent/Carer

In the new year your Child will begin to choose the subjects that they will study next session as part of their S3 Personalisation and Choice options. Your Child will be supported throughout this process to ensure the subjects that they choose are suited to their aptitudes, interests and intended pathways.

To introduce this process we are running an options launch event for Parents/Carers of S2 pupils on **Thursday 16th January 5:30pm**. This event will be an opportunity for you and your child to find out about the S3 personalisation process and curricular pathways.

During the event you will have the opportunity to speak to subject teachers and find out more about the range of subjects which will be available for S3 pupils next session.

Careers advisors from Skills Development Scotland will also be available to answer any questions you may have regarding career pathways.

We look forward to welcoming you to the school for this event.

Gordon Menzies
Head Teacher
