ACTIVITIES DAY
CHS

£1-£3

It's everyone's favourite time of year –
Activities Day!

- This is a great community event we enjoy together before the timetable change in June.
- Staff from across the school have been working hard to organise events, trips and activities that we hope our pupils will appreciate and enjoy.

What's on offer?

- Read carefully through this booklet and read the information which has been provided.
- Once you have looked at all the options you can then choose which activities you would like to participate in.

How many people go on each trip?

- You will notice that there is a maximum number of pupils that can participate with certain events.
- This is mainly due to Staff & Pupil ratios and available transport (coaches etc).

How do I sign up?

- The last page in this booklet contains a QR code which you can scan to sign up for your selected activity.
- You must make your choice by the **27th of March 2025**

How do I get a space?

- Places will be allocated as fairly as possible. If a trip is oversubscribed, names will be pulled from a hat.

Option 1
